School Hymn

Captain and our King,
We pray Thy cause
To Knell in love before Thee
Our hearts in tribute bring.

Glad homage here to pay,
When trials through and press,
Our Lord, God of the battle, smite,
And ever fail nor cease.

Gift so mean a nerve us for the poor;
More precious for we lie in Thy light;
Would offer and more to give.

Our deep love O Lord till this our life is o'er
Be thine forever more

More, Be thine forever more
Yes, Thine forever more.
